JENNIFER HOLLAND

REALTOR® serving Tarrant County and North Texas
Executive Board Member of Stepping Stones Foundation

“GSD – Get Stuff Done. See a need, step in, lead with integrity, and remember that even the smallest act of kindness can change someone’s day—and sometimes their life.”

–JENNIFER HOLLAND

HER WORDS TO LIVE BY

Jennifer Holland has devoted her life to serving others, believing the greatest impact comes not from titles or accomplishments, but from making a difference in the lives of those around her. Whether as a military spouse, educator, mentor, volunteer, REALTOR® or friend, her purpose remains constant—to help people navigate life’s transitions with confidence and compassion. As the spouse of a military service member, Holland experienced 17 moves in 21 years, gaining firsthand insight into resilience, adaptability and the importance of creating a sense of home wherever life leads. Along the way, she supported military families during deployments, volunteered within squadron organizations, and invested in students and educators before discovering her passion for real estate. Today, Holland proudly serves clients throughout Tarrant County and North Texas, guiding buyers and sellers through one

of life’s biggest decisions. She approaches each transaction with the heart of a servant, listening carefully, advocating fiercely, solving problems, and helping clients move into their next chapter. Her commitment to service extends throughout the community. As an Executive Board Member of the Stepping Stones Foundation, she mentors youth while actively supporting numerous charitable organizations focused on families, education, military, food insecurity, and community well-being. Her personal motto, “GSD – Get Stuff Done,” reflects her belief in taking initiative, honoring commitments, and leading through action. Looking ahead, Holland hopes to expand the reach of Stepping Stones, support the growth of Old Town Keller, and inspire others. She considers her greatest accomplishment not what she has achieved, but the encouragement, hope, and lasting relationships she’s built serving others.
